

AIR 1, which we listen to on 98.7 in Boise, Idaho, is our favorite radio station because they play uplifting music, and the disc jockey commentary is always positive. We don't have to worry about what our teens are being exposed to when they listen to AIR 1. If the FCC allows AIR 1 to be displaced by other LPFM broadcasters providing other programming, our community will lose a valuable asset. Most other stations play music with lyrics that promote immoral behaviors. Other stations have disc jockeys whose crude attempts at humor are not appreciated by people like us--dedicated AIR 1 listeners. Please keep AIR 1 on the national air waves.
